On the homeward journey they will visit with friends in the city, and with relatives at Jerome. They were visitors last season to Prescott.

Militia Mission.
Captain H. G. Coykendall of Parker is in the city on matters pertaining to the adjustment of certain questions in which the local machine gun platoon figures. He is detailed for the special duty. While here he will arrange for the sending of this local body of soldiers to Fort Huachuca, where the annual encampment takes place on August 5th.

Rain on Range.
O. A. Lange who was in the city Sunday from his cattle range in the Hassayampa mountains, stated that heavy rains had taken place during the past ten days. No cloudbursts occurred, and the benefits derived are beginning to be shown already in new feed coming up. The river was high for only one day and the storms in character were more like the winter season.

Installing Plant.
J. L. Lang and Roy Belding, mechanics of the Arizona Mine Supply Co., left yesterday for the ranch of C. E. Burton, near Jerome Junction, to begin installing a large water plant. A 20000 gallon steel tank is to be erected, a pipe line laid, and a gasoline pumping equipment started up to irrigate the first forty acres. The water supply will come from the new well dug by Larry Little, and the owner of the property contemplates sinking at another point to ultimately develop the entire 160 acres.

power as well will an air compressor be installed, and the Jones will connected up. Ore bodies exposed in the old levels of the Jessie are gratifying and indications point to an attractive property being practically assured. At any rate this old time gold producer is again attaining marked attention in mining circles and it is generally believed has a fine outlook from the determinations made since the present management assumed charge.

DIVORCE FOR DR. SEARS.
NEW YORK, July 20.—Dr. Julia Seton Sears, founder of the New Thought Church in this city, has won a divorce from Dr. Frank W. Sears, head of another branch of the same sect, on the ground that he had been too friendly with Miss Pauline Langdon, an actress who was one of the members of the defendant's flock.

The divorce was granted to Mrs. Sears by Justice Giegerich in an opinion in which he held that where as Mrs. Sears had not proved any specific act, nevertheless there was enough evidence to justify a conclusion of the court warranting the granting of the divorce.

No alimony was asked by Mrs. Sears.

PATENT APPLICATION
No. 025106.
C. J. McNulty and Michael McBride Claimants.

Last pub. July 29, 1914.

Modern Plant For Little Jessie

(From Tuesday's Daily.)
So successful has been development on the Little Jessie in Chaparral, that the modernizing of the property with an electrical equipment is now under way. General Manager C. H. Blacker, who was in the city yesterday stated the hoist will be driven by this

KRESO DIP
(STANDARDIZED)
For All Live Stock
EASY AND SAFE TO USE.
KILLS LICE, TICKS, FLEAS, MITES. CURES MANGE, SCAB, RINGWORM, SCRATCHES, ETC. DESTROYS DISEASE GERMS AND DRIVES AWAY FLIES.
NON-IRRITATING. EFFECTIVE. INEXPENSIVE.

YOU can't afford to let lice, ticks, fleas and mites eat your stock alive. Get a supply of KRESO DIP and follow directions. It will put an end to the parasites and give the stock a chance to thrive and put on flesh. Use it in barns, hog pens, chicken houses and dog kennels--any place where there are vermin.

KRESO DIP is a coal tar product. It mixes readily with water. It does not burn or irritate like carbolic acid. It does not blister or take the hair off like kerosene. It costs less and does more than any of these. You can't make a better investment than to buy some Kreso Dip to kill lice, ticks, mites and fleas and prevent disease by destroying the germs.

One gallon of KRESO DIP makes 60 to 75 gallons when mixed with water. Each lot is STANDARDIZED by the manufacturers, therefore always the same.
